

New Jersey Crossing Guard Training and Resources Program

In-person Training for your Municipal Crossing Guards

We bring the training to you! Includes discussion of traffic laws, gap assessment, proper crossing procedures, uniforms and equipment, expectations and duties, and conditions at post.

Crossing Guards will view the *Crosswalk Heroes* training film and will participate in a practical review of crossing procedures in the classroom or at a nearby intersection.

This session fulfills the two-hour classroom training requirement set by NJ State Statute

Contact Catherine Bull for information on cost and scheduling for direct training of crossing guards
