Questions about crossing guard placement?
Reviews key actions you can take to provide structure and support your decisions for the placement of your crossing guard post(s).

How about a short presentation to emphasize a few points and get your crossing guards talking during training?

Need a video to review key points of the training?
A Spanish voice-over version is also available.

Would you like reminder tip cards for your guards?
Tip cards on Crossing Procedures and Expectations and Duties are available on the website or email us.

Questions about crossing guard equipment?
Check out our tip sheet.

Ready to hire crossing guards?
Look at the Tools section on the website for a sample job
description and medical exam forms.

Looking for links to the FHWA MUTCD or NJ School
Zone Design Guide for guidance on crossing guards,
signage and school zone information?
You will find them on our website at njcrossingguards.org.

Remember the Post Observation Report Form?
This will help you document conditions at your posts.
